Many shrimp farmers in India still using 'age old' practices

Rajamanohar Somasundarama, PechaKucha Prese...

Rajamanohar Somasundarama delivers his PechaKucha presentation at the Global Aquaculture Alliance's annual GOAL conference, held this year in Chennai, India. Somasundarama is co-founder of **Aquaconnect** (<https://www.aquaculturealliance.org/advocate/if-its-broken-fix-it-startup-takes-on-shrimp-industry-india/>).

A Powered by PechaKucha™ event requires all presenters to stick to a format in which each presenter has 20 slides that advance automatically every 20 seconds. It's a challenging style for presenters, but engaging for audiences of all knowledge levels.
