

Wally Stevens

Global Aquaculture Alliance United States

Wally Stevens, GAA's executive director and 35-year veteran of the seafood Industry, has helped expand the Best Aquaculture Practices program.

Previously, Stevens was president of Ocean Products, a salmon aquaculture company, and president of U.S.-based Slade Gorton & Co. until retiring in 2006.

Stevens has also served as chairman of the National Fisheries Institute, where he helped establish the Future Leaders program.
