

WATCH THE LIVE STREAM

To watch the live stream of a program session during the GOAL 2020 conference from Oct. 5 to 8, 2020, follow these instructions:

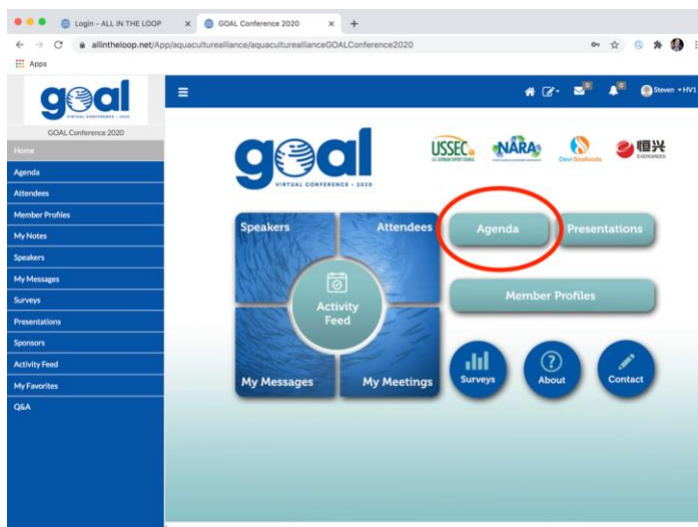

- 1) Log in to the web-based platform: <http://bit.ly/goalconf20>. Google Chrome or Firefox are recommended, as the platform does not run quite as well on Safari. The mobile-based application is also available for download in the [Apple App Store](#) or [Google Play](#).

Username: Your email address

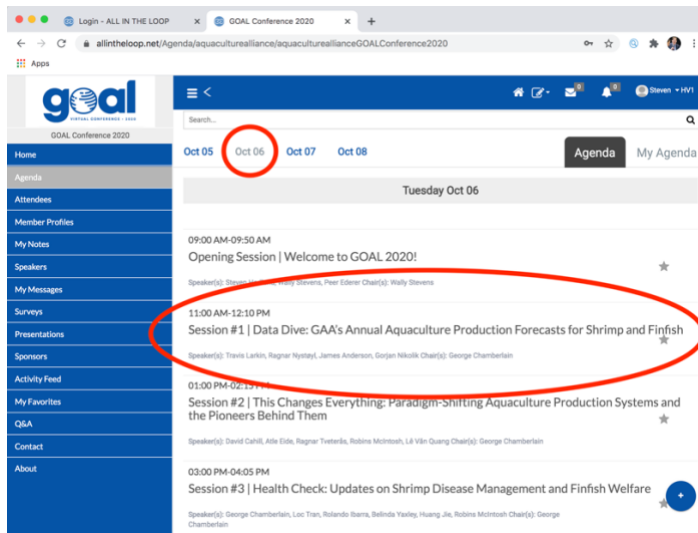

Password: GOALconf20

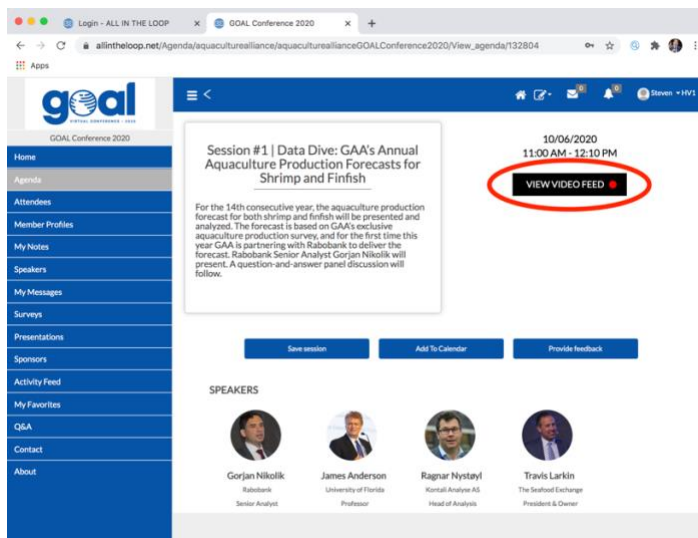

- 2) Click "agenda" to access the list of sessions.

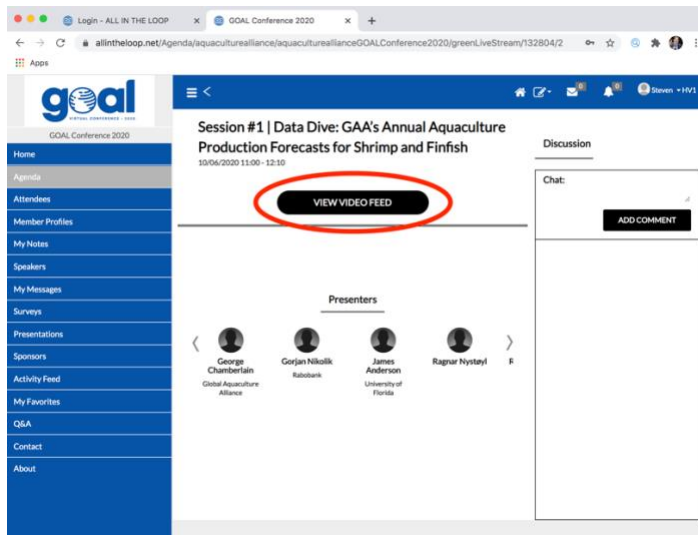

- 3) Click the session that you're interested in watching. Sessions are organized by day, with tabs for each of the four days of the conference across the top.

- 4) Click the black "VIEW VIDEO FEED" button on the top right.

5) Click the “VIEW VIDEO FEED” button again.

6) You're in! Enjoy watch the live stream of the program session, and, during live question-and-answer panel discussions, feel free to use the chat feature to the right of the video when prompted by the moderator.
