## ANNOUNCEMENT

***We are pleased to announce our two new certifications: RD Fishing Group's vessels as the first purse seiners to be certified by the Responsible Fishing Vessel Standard (RFVS) and Philbest Canning Corporation as an accredited facility by the Seafood Processing Standard.***

***Our customers can be assured that our operations as well as our products have undergone verifications as RD Group firmly commits to responsible, transparent and ethical business practices. And we will continuously develop sustainable strategy with measurable commitments to delivering real and lasting changes in the way we operate."***

***Sincerely,***

  
**Engracio R. Sestina**  
**VP-General Manager**
